ARONDACK EASY WINNER

M'LAUGHLIN FILLY CAPTURES VALUABLE YONKERS HANDICAP AT EMPIRE CITY.

Queen, Shipped from Canada, Continues Her Victorious Career and Now Has Record of Seven Firsts Out of Eight Starts on Eastern Tracks.

New York, July 24.—The \$2,500 Yonkers Handicap was the big racing feature of the Empire City Association's attractive half-holiday card today. Unfavorable track conditions caused the withdrawal of four conspicuous overnight nominees, including the great Jack Atkin and Maltbic, winner of last Saturday's richest stake of the meeting. The quintette of remaining contestants promised a first-class race and the 10,000 race-goers present were not disappointed. The field was composed of Arondack, Fashion Plate, Alfred Noble, Half Sovereign and Tony Bonero. It was an open betting race and as high as 3 to 1 was obtainable about anyone of the starters at certain stages of the speculations. James McAphilia, wife of the former jockey, and probably the best backed contestant in the race, disposed of her formidable opposition with ease. Unfortunate at the start, the shapely daughter of Hastings—Astoria succeeded in overhauling the pacemaker before half of the mile and a sixteenth journey had been covered, and from then on increased her lead as the race progressed, to win by four lengths from Fashion Plate, the actual post favorite. Alfred Noble, only a shadow of his former brilliant self, staggered i.a distant third, under pressure to beat Half Sovereign. Tony Bonero, outpaced from the start, was distanced by every one of his adversaries. Arondack had attracted a tremendous public play and her victory was exceedingly popular. The winner enjoys the distinction of mu with Img James, the greatest norse on the American turf.

The short history of the Yonkers Handicap, first run for in 1907, is as follows:
Year. Winner, A. Wt. Jockey, Val. Time, 1907 *Old Honesty. 3 114 Crimmins, \$1,580 1,432 1908 Frank Gill. 4 119 Lang... 3,355 1,47 1909 Arondack... 3 92 McCahey... 1,925 1;512 *At 1 mile and about 60 yards.

Heavy backing materialized for The Fad in the following race. The erack youngster from the west never left the issue in doubt, taking a commanding his affyantage to the end under a pull. Colinet, palpably handicapped protecti

at real good one. Scratches had reduced the field for the juvenile feature to four starters, such prominent absentees as St. Dunstan, Fighting Bob and Reybourn depriving the race of considerable interest.

Miss A. M. Marrone was another woman owner who played a prominent part in the results, winning two races with Frank Purcell and St. Joseph. The former was a neglected outsider in the betting with as good as 60 to 1 obtainable against him. W. H. Timmons was the only man on the ground who took the colt seriously and he acted from sentimental reasons having former where is datagriced with the colt seriously and he acted from sentimental reasons having former where is datagriced where the older horse to run for the purse only. Nethermost ran a remarkable race in the three-year-old selling affair. Though crowded to the rear and pulling up last on the first turn, the Sir Dixon maiden recovered the lost ground and got up in time to beat Dandy Dixon and other supposedly good things.

Rose Queen's debut on the local turf was an outstanding feature of the afternoon's sport. After

Rose Queen's debut on the local turf was an outstanding feature of the afternoon's sport. After her brilliant victory in the sprint bandicap, the Ben Brush filly was acclaimed another Lady Amelia, and, excepting Maskette probably the fastest of her sex on the turf. It was her seventh victory out of eight starts since her arrival in the east from California. The banner crowd of the meeting saw today's

CELT TRAINING WELL AT SARATOGA

New York, July 24.—It is reasonably certain that Celt will get to the post in the Saratoga Handicap on the opening at the Spa. Trainer James Rowe was content to breeze him slow halves for a fortnight following his defeat in the Brooklyn, but some two weeks before the Keene stable departed for Saratoga Celt was galloping miles. Reports from the Springs indicate that he has shown no new signs of lameness and that he is galloping satisfactorily.

M'MANUS' LOT OF BARGAIN YEARLINGS.

Seven Bought for Aggregate of \$155 Look as Promising as Higher Priced Lots.

Lexington, Ky., July 24.—The seven weanlings that James McManns, of Paris, was able to buy for an insignificant amount in the closing hours of the McGrathiana Stud dispersal sale last October, because they were too lean, scrawny and runty for the more exacting buyers, now compare favorably in appearance with any of the yearlings at the Kentucky Association track. They have been transformed from animals with scarcely enough animation to walk, into seven well-grown, clean-limbed, smooth-coated, high-spirited yearlings. Mr. McManns is content to pay their training bills in the expectation and belief that among the seven there will be at least one serviceable racer that will repay him for his small investment of \$155. Charles J. Haggin has been engaged to break them for him. The list of the McManus yearlings, together with the amount paid for each of them, is as follows:

GOSSIP FROM THE BLUE GRASS REGION.

Lexington, Ky., July 24.—"Wink" Williams was bere this week and arranged for a stable at the Kentucky Association track, to which he will bring next week the following five thoroughbreds now at his father's Stockwood Farm near Spring Station: Fundamental, br. c, 3, by Soreerer—Princess Mame.

Bay colt, yearling, by Garry Hermann—Tactful (sister to Canteen).

Chestnut colt, yearling, by Buck Massle—Lady Miles.

Ovelando, in the stable of J. L. Beeson, of which John Nichols is the trainer, has been gelded. Beeson bought Ovelando from H. G. Bedwell just before he shipped back here from Latonla. Through the operation it is expected that the disposition of the inve-year-old son of Orlando—Sister, by King Alfonso, will improve. Others in this stable are C. A. Leiman, Toby D., Bonnie B., Slewfoot and Harriet Rowe. It is trainer Nichols' intention at present to ship to Windsor. Tom Irvin is also preparing to go to the Canadian track with Meadowgrass and Autman Rose.

Topland, the Oversen-old son of Orlando and Topsy over, is now a gelding. He is in the stable of Frank Grosche at the Kentucky Association the Canadian track with Meadowgrass and further the stable of the Canadian track with Meadowgrass and summa Rose.

Topland, the Sand trainer Grosche vesterday afternoon. "He has won twice and been second twice out of nine starts, but had he not got out of sorts last spring he would surely have given a better account of himself. We will turn him out until next spring." Grosche is making preparations to break fifteen yearlings belonging to W. H. Fizer, J. H. Woodford and Frank Clarkson. They are expected at his barn next week.

Top Hayes spent a couple of days in Lexington this week. He is looking for a farm and has made an offer for a confortable little place about four miles from this city. Mr. Hayes reports that Sir Catesby, his three-year-old son of Sir Dixon and Algie M., has been gelded and is now running out at J. S. Barbee's Glen Helen Farm.

Jerry Taylor has three yearlings in his barn. Among them is a half-brother to the speedy, but ill-fated Irfaneh.

HILDRETH GETS WHITNEY STABLE QUARTERS.

New York, July 24.—Andrew Miller says that the outlook for the August races at Saratoga is of a most gratifying character. Although the association has 1,400 stalls, so many applications for stable room are being received that it is doubtful if all the horses will be provided for on the association's grounds. The private stable of H. P. Whitney has been placed at the association's disposal for the meeting. The first string assigned to it was that of Samuel C. Hildreth.

GLIMMER OF HOPE IN TENNESSEE.

Memphis, Tenn., July 24.—Following a conference held here between prominent politicians and members of the legislature that suppressed horse racing and the sale of intoxicants, it is said that steps are to be taken to ask Governor Patterson to call an extra session of the legislature. It is believed that racing has a chance to be revived in Tennessee in the event that the extra session materializes.

Thomas Hitchcock, Jr., was appointed steward to represent the Jockey Club at the summer meeting of the Saratoga Association. W. J. DENIES INFLUENCING JOCKEY SHILLING.

Lexington, Ky., July 24.—Edwin C. Ruff, agent for that division of the St. James Stable that is now racing at Fort Erie, writes that Irring H. Wheateroft will, if not in person, through his representative, enter a denial before the Kentucky State Racing Commission at its meeting here September S. to the charge of R. L. Thomas that jockey Shilling left his employ because of importunities on the part of persons identified with the St. James Stable.

"The St. James Stable had nothing whatever to do with Shilling leaving Thomas," writes Ruff. "Thomas and his connections alone are to blame for the jockey's action. This will be clearly shown when the case comes up for review by the racing commission. The records of Mr. Wheateroft and his employes in the management of the St. James Stable will bear the minutest scrutiny. The horses in this stable have been consistent in their performances and the owner has been equally so in his dealings with racing men. The St. James Stable has as clean a record as has any other racing aggregation on the American turf."

TAMPA TO HAVE 100 DAYS RACING.

Buffalo, N. Y., July 24.—W. H. Fizer received notification today from J. U. Strode, who is now in Tampa, Fla, that negotiations for the building of the mile track in West Tampa had been finally completed and that the work of construction will be started on Monday next. The lease of the land on which the plant will be built was signed and recorded yesterday. The lease covers a period of ten years. At the preliminary meeting of directors yesterday it was decided to begin racing on December 1 and to race continuously for 100 days. Many owners bere have already signified their intention of shipping to the new track, and with Jacksonville also racing for 120 days it begins to look as if Florida will be the Mecca for horsemen next winter.

WOOLWINDER SOLD TO AUSTRIA.

Woolwinder, the St. Leger winner of 1907, has been sold to Mr. Aristides Baltazzi, said to be acting for the Austrian government. The reported price is \$75,000, and the horse will be sent to the stud next year. Woolwinder is a bay by Martagon—St. Windeline, and was a fine race horse, winning eight of his nine races as a three-year-old. His only defeat was in the Derby, for which he ran second to Orby. Lameness prevented his being trained and raced successfully last year and this.

DONAU TO GET WELL-EARNED REST.

New York, July 24.—Trainer James Blute has decided to give Donau, winner of the Wakefield Stakes, a long let-up at the end of the Empire City meeting. The Woolsthorpe—Al Lone colt has done an amazing amount of racing since the beginning of the year, and, although he still retains his winning form, Blute is of the opinion that a rest will prove beneficial.

BONNIE KATE WINS GRAND CANADIAN STEE-PLECHASE AT FORT ERIE.

Her Stablemate Bothers Waterway, the Favorite, During Running of Race-Weber Stable and Jockey Davenport in the Limelight.

Buffalo, N. Y., July 24.—Chilly and bleak weather put a damper on the sport at Fort Eric today, Heavy going caused numerous withdrawals and spoiled the good card, of which the Canadian Steeple-chase over the full course, and a handicap at a mile and an eighth were the principal features. The steeple-chase had a guaranteed value of \$1,200 and five accepted the issue. The race was marred by mishaps to three of the starters and resulted in the defeat of Waterway, the favorite, Bonnie Kate, cupie with the poet age ferriss entry, leading Bonnie Kate had been the leader throughout and fenced in good style until approaching the twelfth jump, where she blundered slightly and allowed her stable companion to join her. They raced together over the next jump, but The Poet was taken back and began herding Waterway when he was about to go into the lead. The Poet made a bad landing at the seventeenth jump and Waterway started after Bonnie Kate, but in the stretch the latter pursued a zigzag course and forced Waterway to shorten his stride. The Poet was remounted and finished within the time limit for third money. Harrington and Esterjoy, both from the Gerst stable, came to grief early. The first-named fell and Esterjoy seemingly broke down.

The table history of the Grand Canadian Steeplechase is as follows:

HAGGIN'S POOR SALE IN ENGLAND.

At the Newmarket, England, sales of July 13 a number of broodmares, the property of J. B. Haggin, were sold at prices that could hardly have paid the expense of their transportation to England. The mares would have brought more at auction in this country. Mr. Haggin, in sending them to a foreign market, was entirely within his rights as an owner, but at the same time his lack of consideration for the thoroughbred interests of his own country is obvious. The mares are needed in this country and should have been offered to his own countrymen. The two-year-old bay colt by Star Ruby—Peg Woffington has been named Star Actor. Notice has reached the registry office of the Jockey Club of the death of the 1909 foal of Nineveh, by Ethelbert.

Frank Clarke, the superintendent of the Sheeps-ead Bay course, is to be married to Mrs. Eleanor

Cymbal is now jointly owned by Colonel W. E. Applegate and his trainer, J. J. Flannigan. The horse will run in the Applegate name and colors. It is said that Signorinetta, winner of the Epsom Derby of 1908, will probably be retired to the stud by her Italian owner without ever again racing.

The Jockey Club has issued warning to owners not to harbor the apprentice riders, A. Martin and A. Schuttinger, who left the employ of James Robertson and James McLaughlin, respectively.

Jockey C. H. Shilling, whose jumping of his contract with R. L. Thomas prevents him from riding on recognized tracks, is riding at the mixed meetings in western Canada.

The fast time made at Yonkers Thursday was largely due to a high northeast wind which caught the runners full on the back at the head of the front stretch and blew them briskly along to the flinksh over the slowest and cupplest part of the course, a circumstance followers of public form will do well to bear in mind.

The largest single commission of the Fort Eric meeting is said to have gone on Charmian in the opening race of last Thursday's program. It is said that \$1.000 was wagered as soon as the prices went up. The horse was backed from a high quotation of 20 to 1 down to 51 to 1. But for bad luck at the start, the plunge might have been successful,

EARLY RACING OF TWO-YEAR-OLDS.

Somebody started a report, and managed to get it into the New York newspapers, to the effect that a bill to prevent two-year-olds from being raced prior to August 1 would be introduced in the New York rewspapers, to the effect that a bill to prevent two-year-olds from being raced prior to August 1 would be introduced in the New York registature next winter and be pressed to passage, if possible. It was absurd on its face, but has been gravely discussed. A legislature can be moved to enact repressive legislation concerning betting on raging without much effort, but to induce it to make law of a racing rule is quite another matter. No doubt the Jockey Club would pass a rule to prohibit early racing of two-year-olds if convinced of the wisdom of doing so, but it does not appear its members deem it wise or expedient; despite the arguments of restless theorists.

Jearly racing of two-year-olds may be an evil in some cases and not in others, It depends on the constitution of each horse. No doubt it is hurtful in the case of nervous and delicate horses, while others of rugged constitution thrive on the exercise of the rating and racing. It is a matter in which the constitution of each horse with the constitution of each horse. No doubt it is hurtful in the case of nervous and delicate horses, while others of rugged constitution thrive on the exercise of the start of the constitution of each horse. The control of the constitution of each horse is the determining factor. Formerly in this country the age of the constitution of the property of the first of the property of the first of the property of the first of the property of the property of the property of the first of the french horses because of this difference in custom. It is true those who decry early racing of two-year-olds caim the F

TALK OF NEW MONTREAL TRACK.

Montreal, Que., July 24.—Quite a flurry of excitement was recently caused by an announcement that a new million-dollar racing plant would be established on Gros Bois Island, a few miles down the river St. Lawrence and delightfully convenient to this city. The story read well on paper and details were filled in, even to the probable day of the new Coney Island of castern Canada, alosen of the new Coney Island of castern Canada, alosen of Canada, the connection with the story, admitted was accounted to the contemplation, but declares that not a single detail has been decided upon, and will not be until a meeting of the company now being organized is held, when some conclusion will be reached as to the disposition of the property. Mr. Grayel purchased the island a short while ago.

Winner—B, g, by Sir Dixon—Olga Nethersole (trained by F, E. Gardher).

Went to post at 2:59. At post 3 minutes. Start good. Won driving; second and third the same. Nethermost, crowded to the rear on the first turn, closed an immense gap on the backstretch, then challenged in the stretch and outstayed the leaders in a hard final drive. Dander was always in forward pursuit and a fast-going and game second, and is extra good. County Fair made the running for seven and a half furious in the deepest going before he tired. Check began slowly and trailed for half of the journey, then closed up moderately well at the end. Rose Beaumont ran well for five furious and the doubly. Rubin Granda, away badly, ran into forward countribon, but failed to stay and was short. Bandello was prominent to the half. The winner was entered for \$500; no bid. Scratched—\$3623 Br. Went to post at 4:25. At post 2 minutes. Start good. Won easily: second and third driving. The Fad palpably outclassed his opposition, drew out in the first stride, won all the way unextended and is a crackerjack. Collinet was always in nearest and stremous pursuit, outstayed Fauntleroy for second place and is a grant colt that probably was handicapped by the going. Fauntleroy, outpaced decisively by the two leaders, finished gamely as usual. Charlie Hargrave was outclassed here.

NOTE—I wish to correct a mistake in my ad of July 11th. The record for the week ending June 15th lost \$30 instead of winning \$2, as stated on that date; also the week ending May 11th won \$80.00, instead of \$79.00, as stated.
